UCSD/NMCS D
Survey of Community Based Organization Partners

We are asking you to please take about 10 minutes to complete the following survey regarding the UCSD/NMCS D Dyson Community Pediatrician Training Program. We are asking for your feedback because your agency has hosted a pediatric resident in an experience to learn about children served by your agency. Some residents have spent or will spend just a short time with you and others have worked or are currently working with you on particular project concerning child health.

In order to improve our program and serve your needs better, we are requesting your feedback on the program as our community partner. Please complete the following evaluation and return it in the enclosed postage paid return envelope within one week.

Your answers to these questions are confidential. Your answers will be grouped with others and analyzed to make program improvements.

Thank you for helping us to make the program the best possible program it can be!

Date survey completed: _____ / _____ / _____

1. To the best you can recall, in what year did your partnership with UCSD/NMCS D Dyson Initiative start?

___ 2000 ___ 2001 ___ 2002 ___ 2003 ___ 2004

2. In your opinion, what are the most pressing issues facing the children who are served by your agency? (Please place an X next to any issue on which a resident has helped address)

1	(X)
2	
3	
4	

3. In what ways would you like to see future residents help meet the service needs of your agency?
