

A program of the American Academy of Pediatrics

CPTI Advocacy Training Grants Program

The Community Pediatrics Training Initiative (CPTI) is pleased to announce the grantees for the annual CPTI Advocacy Training Grants Program. This year, the program supports 6 pediatric faculty-resident pairs (12 people) to attend the AAP Legislative Conference on March 30 – April 1, 2008 in Washington, DC. Each faculty-resident pair will be implementing an educational activity on child advocacy in coordination with their local AAP chapter following the conference. Local chapters will be receiving up to \$1,000 toward completing the educational activity in conjunction with the faculty-resident pairs. See below for a listing of the award winners. If you have any questions about this program, please contact: cpti@aap.org.
