Notes:

Data Sources: 2000 Physician supply data and 2000 US Census data

Self designated primary physicians

Variable definitions:

- State** The state of the ZIP Code that has the highest primary care activity as measured by Medicare claims
- Child per Pediatrician** Children <18 years of age; post-GME clinical general pediatricians
- General Pediatricians** Number of post-GME clinical general pediatricians
- Pediatric Subspecialists** Number of post-GME clinical subspecialist pediatricians
- Female Pediatricians** Number of all female post-GME clinical pediatricians (generalist and subspecialists)
- Number of Children by Age** 2000 US Census data
- Family Practitioners** Number of post-GME family practitioners
- Median HH Income** Median household (HH) income in 1999
