

# TELEHEALTH CARE

## **SECTION MEMBERSHIP**

### **This Section welcomes the following Member types:**

Fellows, Specialty Fellows, Emeritus Fellows, Corresponding Fellows, Honorary Fellows, Candidate Members, Resident Members, and Post-Residency Training Members with an active involvement or interest in Telehealth care in pediatric practice settings.

### **Sponsor Requirements:**

None

### **Special Requirements:**

Must have an active involvement or interest in telehealth care in pediatric practice settings.

## **SECTION AFFILIATE MEMBERSHIP**

Non-physician personnel actively involved in telehealth care in a pediatric practice, hospital, or call center providing pediatric services may join the Section as an affiliate member (e.g., telephone triage nurses, physician assistants, nurse practitioners, clinical nurse administrators, quality improvement managers, directors of call centers, risk management specialists, or medical practice managers).

An applicant for Section Affiliate Membership must submit the following with his/her applications form:

1. One letter of support from a Fellow who is a member of the SOTC
2. A copy of his or her license or certification, if applicable.

For more information about this section visit <http://www.aap.org/sections/telecare/>
