

Idaho Chapter

- Put Asthma on the Map!
- 9 MD's and 1 ED attended the seminar... 1/10 of the ID AAP membership!
- 7 local coalition formed
 - Led to creation of 1 State Asthma Action Plan
 - Printed by the state coalition
- Created School Nurse Directory
 - Phone number, school name, days in office
 - Sent to ALL pediatricians around the state
 - This led to the development of patient identification labels to be put inhalers – chapter created sample label.
- Passed Senate Bill “92”
 - ...children may carry their own inhalers...
 - Passed 105 Yea; 0 No (January 2004)
 - Led to increased participation of pediatricians in state initiatives when needed.
- Site Visits to 4 practices
- ED now serves on State Asthma Coalition
