FROM: Jerry Vasiliadis, PhD, Executive Director
Residency Review Committee for Pediatrics

SUBJECT: Program Requirements for Resident Education in Neonatal-
Perinatal Medicine

DATE: February 10, 2006

In accordance with ACGME policy, the proposed major revisions to the Program Requirements for Resident Education in Neonatal-Perinatal Medicine and the Statement of Justification/Impact are now available for review and comment.

The documents can be found on the ACGME website at www.acgme.org. Please reference: "Review and Comment."

If you encounter difficulties with the website or e-mail systems, please contact the ACGME Help Desk at 312-755-7464.

To streamline the response and review process, all responses should be submitted via e-mail, fax, or regular mail by **April 3, 2006** to:

Caroline Fischer, MBA
Senior Accreditation Administrator
Residency Review Committee for Pediatrics
515 N. State Street, Suite 2000
Chicago, IL 60610
cfischer@acgme.org
Fax: 312-755-7498

The Residency Review Committee will review all written responses and determine whether additional changes to the program requirements are needed before the final draft revision is submitted to the ACGME for approval. If a response is not received by the above date, the ACGME will assume that the addressee has no objection to the proposed revisions.
