

American Academy of Pediatrics Section on Urology

Affiliate Membership

The **Section on Urology** may recruit and/or accept urologists and health professionals in a related field (physicians, osteopathic physicians, nurses, research scientists, nephrologists, and physicians assistants) who advance the care of pediatric urology patients but who are not eligible for Fellowship in the Academy.

1. Licensed physicians not eligible for Specialty Fellowship in the AAP who reside outside the borders of the United States and Canada. Applicants must submit:
 - [Completed affiliate application](#)
 - Two [sponsor letters](#) from Fellows or Specialty Fellows. These sponsors must be members of the **Section on Urology**; one letter may be from an affiliate member.
 - Letter from chief of service, documenting that the applicant devotes 50% of clinical activity to pediatric urology
2. Physicians currently enrolled in a pediatric urology fellowship, or physicians who have completed a pediatric urology fellowship within the last four years and who are eligible but not yet certified by the American or Canadian Boards of Urology. Applicants must submit:
 - [Completed affiliate application](#)
 - Two [sponsor letters](#) from Fellows or Specialty Fellows. These sponsors must be members of the Section on Urology; one letter may be from an affiliate member.
3. Nurses, osteopathic physicians, nephrologists, physicians assistants, and other physicians (physicians, osteopathic physicians, nurses, research scientists, nephrologists, and physicians assistants) who advance the care of pediatric urology patients but who are not eligible for Fellowship in the Academy. Applicants must submit:
 - [Completed affiliate application](#)
 - Two [sponsor letters](#) from Fellows or Specialty Fellows. These sponsors must be members of the Section on Urology; one letter may be from an affiliate member.
 - Copy of license
 - An active curriculum vitae
4. Research scientists with a Masters or PhD degree who devote at least 50% of research time to pediatric urological or related diseases. Applicants must submit:
 - [Completed affiliate application](#)
 - Two [sponsor letters](#) from Fellows or Specialty Fellows. One letter must be from the Head of the Pediatric Urology Division at your current place of employment. If the head of the Division is a Fellow of the AAP, only two letters are needed
 - A log of all research projects worked on for the past year and the approximate amount of time devoted to each project
 - A summary listing all research projects that you have directed/presented at national scientific meetings
 - A complete list of publications
