With the AAP eJournal Collection, your institution’s need for original research, concise commentary, clinical reviews, and the latest news is covered!

**PEDIATRICS**
The official journal of the American Academy of Pediatrics and the world’s leading pediatrics resource. *Pediatrics*® is the most cited journal in the field and among the top 100 most-cited journals in all of science and medicine.®
pediatrics.org

**Hospital Pediatrics**
The first-ever scholarly journal for pediatric hospitalists delivers groundbreaking original research and evidence-based information that supports patient care, teaching, research, and leadership.
hospitalpediatrics.org

**AAP News**
The official newsmagazine of the AAP and the trusted resource for timely vaccine updates, AAP policy insights, and anticipatory guidance—the information busy professionals need to keep current.
aapnews.org

**Pediatrics in Review**
This highly popular journal features real-life cases, best practices, and clinical review articles. Articles are mapped to the American Board of Pediatrics (ABP) knowledge statements for Maintenance of Certification® (MOC).
pedsinreview.org

**NeoReviews**
This neonatal/perinatal journal features clinical reviews, case discussions, basic science insights, and “on the horizon” pieces. Clinical articles are mapped to the ABP knowledge statements for MOC™.
neoreviews.org

**AAP Grand Rounds**
Critical, evidence-based summaries of clinical content from nearly 100 journals. Each month, this literature review newsletter delivers relevant commentary and current insights into critical topics in pediatrics today.
aapgrandrounds.org

Our searchable online library enables your users to review publications cover to cover, including full-text-searchable PDFs, relevant imagery and graphics, and more—100,000 pages of articles spanning more than a half-century. E-mail institutions@aap.org to subscribe today!

gateway.aap.org

AAP Gateway, the new clinical research and news network, lets your patrons easily access all AAP Journals & Periodicals subscriptions in one convenient place. Easily locate articles with powerful cross-journal semantic search and filtering, as well as PubMed search. Access is administered the same as before: through automatic IP authentication or logging on in the upper right corner with your username/password or OpenAthens ID.
Our AAP eJournal Collection provides your institution with a comprehensive site license to 6 journals and periodicals and their eArchives at no additional charge.

A Free Trial for Your Institution!

Request a free 60-day trial of a site license to one of our journals.

AAP Library aaplibrary.org

This single point of access provides all of the tools and information you need to subscribe to AAP Journals & Periodicals, Point-of-Care Solutions™, and AAP eBooks directly through the AAP or a subscription agent.

You can activate your subscription or take advantage of free trial offers.

This convenient portal also provides access to our pricing guidelines, usage reports, terms and conditions, and detailed subscription information.
## How to Order

**Determine Your Pricing Tier and Select Your Subscription Type**

**Determine Your Pricing Tier**

**ACADEMIC**
1. Primary/secondary school
2. Undergraduate (baccalaureate) or master’s level college/university
3. Doctorate-granting research university
4. Medical school
5. University consortium or shared network

**MEDICAL**
1. Small or local clinic
2. Nursing school or allied health training program (e.g., chiropractic, physical therapy)
3. Community hospital or clinic (not a major teaching or clinical research facility)
4. Major teaching or research hospital (medical school affiliated, multiple residency programs)
5. Health care network (multisite shared access)

**PUBLIC/NONPROFIT**
1. Non-research public library
2. Independent research library
3. Small nonprofit or government research laboratory
4. Health policy or advocacy nonprofit
5. Local or regional government agency/ministry (e.g., city or state public health authority)
6. Charitable organization
7. Professional society or trade union
8. Industry trade association
9. Large nonprofit/government research institute or national government agency
10. State or national site license
11. Society-, agency-, or ministry-wide license (multisite shared access)

**CORPORATE**
1. Small for-profit organization (e.g., small consulting partnership, law firm)
2. Midsize for-profit organization (e.g., regional or national corporation) or large for-profit
3. Global or multisite licensing

AAP eBooks
Trusted Resources From the Leading Publisher in Pediatrics

The AAP provides award-winning pediatric information to help you stay on the cutting edge of the profession and improve patient care and outcomes.

AAP eBooks

AAP is your source for evidence-based pediatric information at your fingertips.

Gain 24/7 access to a robust digital library of quality peer-reviewed pediatric content authored by renowned experts and researchers in the field of pediatrics. Titles are fully searchable; users may print, bookmark using browser or app tools, and share links via e-mail and social networks. Several titles include videos that can be streamed from links in the online and app versions.

The AAP eBook collection is your premier source for trusted pediatric information. Visit aapebooks.org/titles for a full list.

The AAP eBooks platform includes

• State-of-the-art eBook reader or on-site delivery
• Exceptional content and enhanced search capabilities for easy discoverability
• Responsive design for fast page loading and mobile optimization
• Updated reading apps for smartphones and tablets
• Librarian resource center to manage IP access and usage data

aapebooks.org
