**Practical Pediatrics CME Courses**  
Designed for pediatricians, family physicians, nurse practitioners, and physician assistants caring for children, Practical Pediatrics CME Courses feature nationally prominent faculty presenting topics that highlight current issues in pediatrics

**Subspecialty/Section CME Courses**  
Appropriate for the pediatric subspecialist or the general pediatrician with a particular interest in the topic

**PREP® The Course**  
A comprehensive review and update of pediatrics featuring course content based on the content specifications issued by the American Board of Pediatrics (ABP) for Maintenance of Certification™ (MOC). This course is relevant to those preparing for the Part 3 component of ABP Maintenance of Certification (MOC), either the secure examination or the Maintenance of Certification Assessment for Pediatrics (MOCA-Peds) pilot

**National Conference & Exhibition**  
The National Conference showcases the latest products and services, as well as AAP educational and professional resources and programs. From hot-topic plenary sessions to interactive, hands-on workshops, this conference will offer you every opportunity to enhance your clinical skills

 The Self-Assessment portion for many of these live activities is approved for MOC Part 2 points by the American Board of Pediatrics.

**Continuing Medical Education** The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

• These activities have been approved for *AMA PRA Category 1 Credit™*

\*Continuing Professional Development.
