

AAP Charlie

Cut out AAP Charlie, the Child Health Advocate, and bring it to advocacy events and activities, like going to the polls to vote or attending a town hall. Be sure to take pictures with Charlie as you advocate and e-mail all photos to the AAP Department of Federal Affairs at kids1st@aap.org to show your support! To find out what AAP Charlie's been up to, follow us on Twitter @AmerAcadPeds using #AAPCharlie or on Facebook at www.facebook.com/AAPFederalAffairs.
