Helping Babies Breathe (HBB), 2nd Edition
Facilitator/Master Trainer Course
January 8 and 9, 2019
Cincinnati Children’s Hospital Medical Center
Cincinnati, Ohio

Helping Babies Breathe is a skills-based neonatal resuscitation designed for birth attendants in low-resource settings. It aims to teach birth attendants the most essential skills of neonatal resuscitation that must be performed within the Golden Minute. The 2nd Edition also includes increased facilitator resources, an introduction to quality improvement, and newly recommended reprocessing guidelines.

This two day workshop will consist of one full day of hands-on, skills-based training/simulation/role play and an additional half to full day of facilitator training.

Registration fee for the workshop is $75. Registration will cover meals and materials for use during the workshop. We will provide information regarding travel, lodging and local transportation, but these will be at your own expense. Workshop size is limited to 24 participants.

If you are interested in attending, or have any additional questions, please contact: Course Director, Beena Kamath-Rayne, MD, MPH at beena.kamath-rayne@cchmc.org
