HELPING BABIES BREATHE MASTER TRAINER COURSE

FEB 5th & 6th, 2018
Bristol, England

Helping Babies Breathe[®]
THE GOLDEN MINUTE[®]

The **American Academy of Pediatrics**, in collaboration with the **Bristol Medical Simulation Centre**, is holding a Master Trainer course for **Helping Babies Breathe 2nd Edition**.

About HBB: HBB is an evidence-based educational program for low-resource environments to teach the initial steps of neonatal resuscitation with an emphasis on *The Golden Minute*.

About this Course: This two-day course utilizes hands-on, paired learning to provide participants with the skills necessary to teach basic neonatal resuscitation to healthcare workers in resource-limited settings.

Who Should Attend? This course is suitable for nurses, doctors, midwives and other global health professionals. The session is designed to develop new HBB Master Trainers who will make a commitment to teach care providers in resource-limited environments.
