6TH ANNUAL Pediatric Hospital Medicine Club

Sponsored by the Section on Hospital Medicine

Monday, May 8, 12:00 - 1:00 pm
Intercontinental Ballroom C
San Francisco, California

at the Pediatric Academic Societies (PAS)
Annual Meeting 2017
(www.pas-meeting.org)

- **Complimentary Lunch**
- **Welcome and Opening Remarks**
Dr. Daniel Rauch, Session Moderator
Dr. Brian Alverson, Section Chairperson
- **Poster Session – Projects from PHM Fellows**
Facilitated by Dr. Daniel Rauch
- **Discussion – "What's Next for PHM" after achieving ABP Subspecialty Certification**
Introduced by Dr. Brian Alverson
Led by Dr. Steve Ludwig

*Club session supported by Abbott Nutrition,
a division of Abbott Laboratories, Inc.*

And a bonus...

*At 11:30 am in the same room, please join Committee on Hospital Care representatives along with Section on Hospital Medicine leaders for a discussion about adult inpatients on children's services. The primary objective of the **pre-Club Inpatient Transitions Session** is to better understand the concerns of this patient population such as their diagnoses and co-morbidities as well as issues related to their care including provider skills, appropriateness of care, and protocol development.*
