How to choose the right PEPP course for you

ONSITE OR HYBRID

**Onsite**
- Precourse work: online pretest
- One- or two-day traditional onsite course

**Hybrid**
- Precourse work: self-directed online modules (9 total)
- After completion of modules, attend an onsite course for hands-on skill stations & written exam

BLS OR ALS

**BLS**
- Basic Life Support Course
- Geared towards emergency medical responders (EMR) & emergency medical technicians (EMT)

**ALS**
- Advanced Life Support Course
- Geared towards advanced emergency medical technicians (AEMT) & paramedics
