AAP NEW YORK CHAPTER 3 FACTS......

I already belong to the National AAP, why should I become a member of AAP New York Chapter 3?

The NYS AAP is a Coalition of AAP NY Chapters 1, 2, and 3
Together, we have the power to make a difference!

As a member of AAP NY Chapter 3, you will be a voice united with over 4,100 pediatricians in the NYS AAP, working to achieve optimal physical, mental and social well-being for infants, children, adolescents and young adults, and to improve the practice of pediatrics in New York State.

What is the value of joining AAP NY Chapter 3?

- Advocacy on a wide variety of local and state issues impacting children and pediatricians in NYS
- Leadership, mentoring and networking opportunities, including committee participation
- Educational opportunities and resources, such as CME meetings, conferences and e-news
- Discounted vaccines and an Employment Page for posting/searching jobs

What have AAP NY Chapter 3 and the NYS AAP done lately?

- May 28, 2015: “Annual Perinatal Day Symposium”
- March and April 2015: “Vaccine Hesitancy” Webinar Series
- Nov. 12, 2014: “Just in Time: Building Brighter Futures for Children Dealing with Crisis,” a conference enabling pediatricians and other child care professionals to explore the current best practices for serving children dealing with crisis or disasters
- To date, over 75,000 free copies of the “Teen’s Health Care Bill of Rights” have been distributed.
- The Pediatric Council continues to meet with insurance companies in an effort to improve pediatric practice.
- The Joint NY Chapter 2 & 3 Committee on Environmental Health created two “News You Can Use” e-newsletters.
