You can find:

- Template letters for vaccine price increases, new vaccines
- Vaccine Product-Related Cost Calculator
- Vaccine Administration Cost Calculator
- Vaccine Cost and Payment Comparison
- Vaccine Inventory Value Calculator
- Vaccine Acronym Cheat Sheet

Proposed Legislation:

The AZAAP Chapter sponsored a bill to the Arizona legislature to enhance payment for vaccines and immunization administration. Legislative approval of the bill is pending and the chapter met numerous times with the medical directors of the major insurance plans and a few of the insurance companies have already enhanced payments.
