Your membership in the AAP directly improves the lives of children, thank you!
It also provides valuable benefits…

Access resources and make connections vital to providing optimal care of children

- Keep pace with the latest in pediatric infectious diseases with Red Book® Online. With 24/7 anytime, anywhere access, you’ll find the answers you need quickly and easily at the point of care. It includes the most clinically relevant content on more than 200 childhood infectious diseases. A handy mobile app is available for iOS and Google Play, redbook.solutions.aap.org
- Receive timely information direct to your email with eBreaking News alerts and AAP OnCall.
- Improve practice efficiency and patient care through online Practice Support resources, aap.org/practice
- Access 66,000 pediatric colleagues in every subspecialty area with the membership directory, aap.org/directory

Take advantage of world-renowned education (Board Prep, CME, MOC)

- EQIPP courses deliver information, tools and resources to identify and close practice gaps in key practice areas, improve documentation and follow-up, and better educate and engage parents. Courses completion earns AMA PRA Category 1 Credits™ and helps satisfy MOC Part 4 requirements, eqipp.aap.org
- PediaLink, the AAP Online Learning Center, will help expand your knowledge, improve your care, and manage all your learning activities at every stage of your career. See what PediaLink can do for you, pedialink.org
- Members receive preferred pricing (on average 20%) for all other learning opportunities that we offer! Stay at the top of your game with a variety of exciting education programs. Options range from live events with face-to-face interaction to convenient online courses, and from self-assessment and study programs to an innovative audio series, shop.aap.org

Opportunity for scholarly pursuits

- Serve on national committees, and as an AAP Fellow, hold leadership positions that advise on initiatives relevant to your area of expertise.
- Through sections and councils, engage in faculty appointments, research, and opportunities to lead policy development and review guidelines as they are developed, aap.org/getinvolved
- Distinguish yourself as a pediatric expert with the FAAP designation when board certified.
- Have a chance to have your clinical case published through the AAP abstract process held in conjunction with the National Conference and Exhibition, aapexperience.org

“I loved the entire program, we walked away energized about doing more quality improvement, and EQIPP absolutely improved the quality of my care.”
