During the time period at the Participating Institution, the faculty who will assume educational and supervisory responsibility for the resident is:

____________________________________________________________________________

The faculty at the Participating Institution will be responsible for teaching, supervising, and formally evaluating the resident. At the end of the rotation the resident will be evaluated in writing by the supervising faculty. The evaluation will be discussed with the trainee before the end of the rotation, and a copy will be given to the resident to be placed in his/her evaluation file at CNMC.

While at the Participating Institution, the resident will be governed by the respective medical policies and procedures of the Participating Institution, which will be provided to the resident at the beginning of the rotation by the Participating Institution. For due process the resident will be governed by the CNMC Pediatric Residency Program’s grievance procedure.
