Global Child Health Residency Program

Our Global Child Health Education Program will empower residents to make a difference around the world.

The Three-Year Global Child Health Residency Track includes:

- One month "Global Health Boot Camp" as a PL-1 at the Indian Health Service Medical Center in Gallup, NM
- One month of your PL-2 and one month of your PL-3 year's schedule will be reserved to participate in a global health rotation.
- Mentored in a scholarly project
- Participation in monthly Track Meetings, as well as Global Health Retreats planned throughout the year
- Participation in Global Child Health Curriculum activities

The Global Child Health Curriculum

This includes three activities:

- Meetings of the Global Health Interest Group – Bimonthly
- Journal Club meetings with faculty advisors – Bimonthly
- Global Health noon conferences – Monthly

Resident and Fellow Training

All residents may do a Global Health rotation. We have formal residency training exchange agreements with several institutions:

- Kamuzu Central Hospital, Lilongwe, Malawi
- Indian Health Service, New Mexico, USA
- Unity Health Care, Washington, DC, USA
- University of Puerto Rico, San Juan, Puerto Rico
- Christian Medical College, Vellore, India
