Form to use if planning to submit photos taken by a third party for publication in Resident Report

Date:

To: Photographer, picture of ________________________________

The undersigned, the American Academy of Pediatrics (AAP), hereby applies for permission to reproduce or adapt and include the following material:

in whole or in part, in a work which will be published by the AAP, entitled:

**Resident Report, Spring 2009, which is published in print and posted on the Resident Section page of the AAP Web site**

throughout the world in all languages and in all revisions and future editions of such Work, and derivative works based upon such Work, in all forms, including use in conjunction with computer systems and programs, reproductions, or publication in machine-readable form and incorporation in retrieval systems. These rights will not restrict republication of your material by you or others authorized by you.

Upon request, the AAP will give full acknowledgment to photographer. *Please indicate below if a credit line is requested.*

Please sign below to indicate your consent to this request.

_________________________________________________________________

I (we) have the right to grant permission for the use of the material described above and hereby grant such permission.

Name ___________________________________________ Date _______________

*Please sign and return to Mariann Stephens, 305 N. Malden Ave., La Grange Park IL 60526. (FAX 708 482 7753).*
