I care for kids and I VOTE!

AAP Section on Medical Students, Residents and Fellowship Trainees Advocacy Campaign

Here are resources to help you become an advocate for kids through the election process.

Campaign Essentials:

1. **Register** to vote
2. Get the **time off** to vote-in local/state/national primaries AND the general election
3. **Participate** in local/state/national campaigns and elections during the primaries and the general election

**League of Women Voters:**
Website: [http://vote411.org](http://vote411.org)

- A non-partisan website designed to educate voters and assist them with voter registration and participation.
- You can also sign up to receive personalized information, updates, and voting alerts that matter to you.
- Search by what you want to know in the Resource Guide.

**State and Local Elections:**
Connect with your AAP Chapter ([http://www.aap.org/member/chapters/chapters.htm](http://www.aap.org/member/chapters/chapters.htm)) to get ongoing alerts and information on state level child health advocacy and campaign/election activity.
