Space Assignment - Tabletop space will be assigned on-site, on a first-come, first-served basis. Each exhibitor will be provided with one six-foot skirted table and two chairs. Please note that depending on space availability, the onsite meeting planner has the discretion to assign tables to accommodate the flow of traffic with the registration area, breaks and exhibits for the meeting.

Exhibitor Badges - Each exhibit representative is required to wear their AAP gold exhibitor name badge when inside the exhibit area (this applies to set-up and dismantle times, as well). Representatives may pick up their badges at the AAP Registration Desk.

Security - Overnight security guards will not be provided by the Academy. Should an exhibitor wish to dismantle their exhibit at the end of an exhibit day, the Academy will provide a secure storage area in the hotel where items can be stored overnight. All property of the exhibitor is understood to remain under the exhibitor’s custody and control.
Display Information

A tabletop display is defined as not exceeding 60" in height, 72" in width, and 24" in depth and not obstructing exhibit space to the left or right of the table. All materials must be placed on the table provided, and may not extend beyond the front edge of that table.

Should a display require electrical power or a phone hook-up, it is the responsibility of the exhibiting company to make the appropriate arrangements on-site with the AAP Meeting Services Manager for these table hook-ups. All expenses connected with these services are also the sole responsibility of the exhibiting company.

Shipping

Exhibitors are strongly encouraged to hand-carry display equipment and materials on-site, eliminating the possibility of lost or misplaced shipments.

If advance shipping is necessary, packages should arrive at the hotel no earlier than 48 hours prior to the start of the course. Packages sent can usually be retrieved at the hotel's bell stand or front desk. ALL packages in your shipment should be labeled as follows:
