

View Transcript Summary and Print Certificate of Participation

- 1.) Go to the PediaLink Learning Center at: www.pedialink.org
- 2.) Log in with your AAP Login credentials and password. (If your login was successful, you should see your name toward the left hand corner of the web page, just beneath the PediaLink Online Center for Lifelong Learning.)
- 3.) Click on the green Continuing Education tab.

- 4.) Click on the CME Transcript link (below the CME tab), this will take you to the AAP Transcript & Credit Management Tool.

- 5.) Under View your Claimed Credit, you should see a box displaying the current year, 2018, with a downward pointing arrow. (By default, the current year is always displayed.) Click on the downward arrow next to the current year. It should display a list of the years you have previously claimed CME credits. Click on the year you would like to view in your Transcript Summary. The total number of credits you have claimed for any given year should be displayed in the lower right corner of the web page. It will read: "You've claimed **X.XX** credits for the year **YYYY**."

*Optional: If you only need to print a Certificate of Participation for a specific activity within any given year, then locate that specific activity in the left-side column labeled "Activity." Click on the link "Certificate" for that specific activity, located in the right side column labeled "Create Certificate" to print out a Certificate. Your Certificate of Participation will be displayed, then either go to File>Print or click on the printer icon to print.
