

Access Red Book Online From Anywhere

Red Book Online users can access from anywhere by affiliating their AAP ID Number to their Institution's subscription. Please follow the steps below to set up your remote access to Red Book Online.

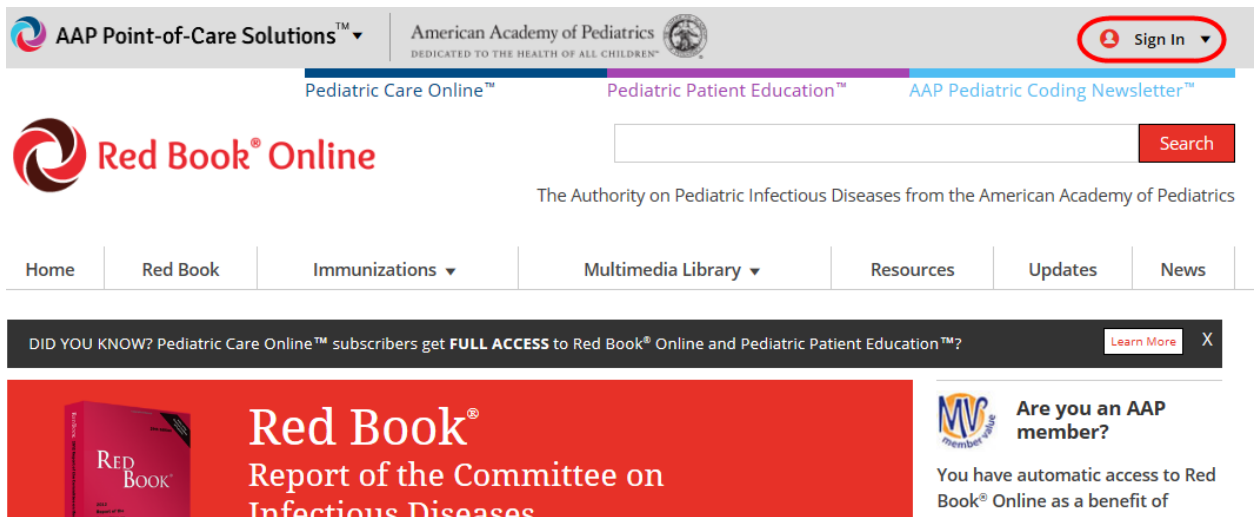

Note: These steps must be performed from a workstation within your Institution that currently has access to Red Book Online.

Access Red Book Online Remotely

1. Go to the Red Book Online Home Page at <http://redbook.solutions.aap.org/>
2. Click on the **Sign in** link.

The screenshot shows the top navigation bar of the Red Book Online website. It includes the AAP Point-of-Care Solutions logo, the American Academy of Pediatrics logo, and a 'Sign In' button circled in red. Below the navigation bar are links for Pediatric Care Online, Pediatric Patient Education, and AAP Pediatric Coding Newsletter. The main header features the Red Book Online logo, a search bar, and the tagline 'The Authority on Pediatric Infectious Diseases from the American Academy of Pediatrics'. A navigation menu includes Home, Red Book, Immunizations, Multimedia Library, Resources, Updates, and News. A banner at the bottom promotes full access to Red Book Online for Pediatric Care Online subscribers and asks if the user is an AAP member.

3. Sign in using your Individual AAP Login and Password. (If you do not have one [click here](#) to create one)
4. After you have completed this process, use your AAP ID and password to access the full content of Red Book Online and all of its features from any location that has access to the internet.

If these steps were used to correct an issue but the issue persists, please contact the Customer Service Center at 800.433.9016 or email us at csc@aap.org for further assistance
