Foreword: Frame Shift: Changing How We See and Support Young People Nat Kendall-Taylor, PhD, and Mackenzie Price, PhD, The FrameWorks Institute ................................................................. xvi
Acknowledgments ......................................................................................................................... xxi
Access All of Reaching Teens ......................................................................................................... xxiii
Note on Language ............................................................................................................................. xxiv

SECTION 1. ORIENTATION TO A STRENGTH-BASED APPROACH ............................................ 1
Chapter 1. Reaching Teens: Preparing You to Become the Kind of Adult Young People Need in Their Lives Kenneth R. Ginsburg, MD, MS Ed, FAAP, FS&AHM, and Zachary Brett Ramirez McClain, MD ......................................................................................................................... 3
Chapter 2. The 7 Cs: An Interdisciplinary Model That Integrates Positive Youth Development, Resilience-Building Strategies, and Trauma-Sensitive Practices Kenneth R. Ginsburg, MD, MS Ed, FAAP, FS&AHM, and Susan Mackey Andrews, BS ......................................................... 15
Chapter 3. The Journey From Risk-Focused Attention to Strength-Based Care Kenneth R. Ginsburg, MD, MS Ed, FAAP, FS&AHM ................................................................. 19
Chapter 4. How a Strength-Based Approach Affects Behavioral Change Kenneth R. Ginsburg, MD, MS Ed, FAAP, FS&AHM, and Andrew C. Pool, PhD, MS ................................................................................. 25
Chapter 5. Youth Are Experts in Their Own Lives Richard E. Kreipe, MD, FAAP, FS&AHM, FAED; Elaine Spauld, PhD, JD; and Kenneth R. Ginsburg, MD, MS Ed, FAAP, FS&AHM .................................................................................. 33
Chapter 6. Reframing Adolescence: Holding Youth to High Expectations and Refuting Undermining Portrayals Kenneth R. Ginsburg, MD, MS Ed, FAAP, FS&AHM; Andrew C. Pool, PhD, MS; Merrian Brooks, DO, MS; and Jennifer Nichols, PhD .......................................................... 41

SECTION 2. ORIENTATION TO USING REACHING TEENS AS A TOOLKIT ............................... 55
Chapter 7. Building a Strength-Based Community to Support the Emotional, Behavioral, and Mental Health of Youth Greg Sumpter, PhD; Tracy Köller, MA, LCDC-I; and Patsy Thomas, MS ......................................................................................................................... 57
Chapter 8. Global Is Local: Tools to Approach Youth of All Contexts Alemayehu Gezmu, MD; Dipesalema Joel, MB, BCH, BAO, BMSc (NUI), MRCP, and Merrian Brooks, DO, MS ................................................................. 61
Chapter 9. Reaching Adults So That They Can Reach Teens Marija Pearson, PhD ......................................................................................................................... 63
Chapter 11. Ensuring Our Environments, Practices, and Procedures Align With Strength-Based Practices Kenneth R. Ginsburg, MD, MS Ed, FAAP, FS&AHM .................................................................................. 75
Chapter 12. Informed by the Evidence and Leading Practice: How Is Reaching Teens Research Informed? Elizabeth Miller, MD, PhD, FS&AHM ................................................................. 79

SECTION 3. UNDERSTANDING ADOLESCENTS AND THEIR WORLD ........................................... 83
Chapter 13. Understanding and Supporting Healthy Adolescent Development Kenneth R. Ginsburg, MD, MS Ed, FAAP, FS&AHM; Andrew Majek, MEd; and Joanna Lee Williams, MS Ed, PhD ......................................................................................................................... 85
Chapter 14. The Adolescent World Amanda Lerman, MD ..................................................................... 103
Chapter 15. The Teen Brain Karol Silva, PhD, MPH ............................................................................ 107
Chapter 16. Friendship and Peers Kenneth R. Ginsburg, MD, MS Ed, FAAP, FS&AHM, and Sarah Grizzle, JD ......................................................................................................................... 113
Chapter 17. Sex(uality) Happens: Fostering Healthy, Positive (Female) Sexuality Susan T. Sugerman, MD, MPH, FAAP; Liana R. Clark, MD, MSCE, FAAP; and Tonya A. Chaffee, MD, MPH, FAAP ......................................................................................................................... 125
Chapter 18. Male Sexuality  David L. Bell, MD, MPH, and Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM .................................................. 127
Chapter 19. The Virtual World of Adolescents  Danielle S. Topale; Cameron Nereim, MD; Kristelle M. LaCalle, MD, and Michael Rich, MD, MPH, FAAP ................................................................. 129
Chapter 20. Spirituality and Resilience in Adolescence: Connection, Purpose, and Love Charles G. Zimbrick-Rogers, MD, MS Ed .................................................. 135
Chapter 21. Working Toward a Healthy Masculinity  Zachary Brett Ramirez McClain, MD; Gary Barker, PhD; and David L. Bell, MD, MPH ................................................................. 141

SECTION 4. CONNECTING WITH ADOLESCENTS AND THEIR FAMILIES .............................................................. 147
Chapter 22. Creating Adolescent-Friendly Spaces and Services  Angela Diaz, MD, PhD, MPH; Jennifer Bateman, PhD, MEd; and Danielle Morris, MPH ................................................................. 149
Chapter 23. Setting the Stage for a Trustworthy Relationship  Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM, and Aimee Della Porta, MSW, LCSW ................................................................. 159
Chapter 24. Boundaries  Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM ................................................................. 165
Chapter 25. Vicarious Resilience: How and Why Working With Youth Helps Us Thrive  Maria Veronica Svetaz, MD, MPH, FSAHM, FAAP; Elizabeth Miller, MD, PhD, FSAHM; and Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM ................................................................. 175

SECTION 5. COMMUNICATING WITH ADOLESCENTS .............................................................................................. 179
Chapter 26. Communicating With Adolescents 101  Linda A. Hawkins, PhD, MS Ed, LPC, and Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM ................................................................. 181
Chapter 27. The Language of Resilience  Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM ................................................................. 191
Chapter 28. Cultural Humility  Valerie J. Lewis, MD, MPH, FAAP, FSAHM; Irma Velasco-Núñez; LaTonya Buck, PhD; Kenisha Campbell, MD, MPH; Angela Diaz, MD, PhD, MPH; Nadia L. Dzoyohu, MD, MSHP; FAAP; AHAIVS; Renee R. Jenkins, MD, FAAP; Jarret R. Patton, MD; Maria Trent, MD, MPH, FAAP, FSAHM; and Dzung X. Vo, MD, FAAP, FSAHM ................................................................. 197
Chapter 29. Examining Our Unconscious Biases  Amanda Lerman, MD, MSHP, and Dannyaelle Austin, MS, MS ................................................................. 209
Chapter 30. Body Language  Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM ................................................................. 215
Chapter 31. Healing-Centered Engagement: Fostering Connections Rather Than Forcing Disclosures  Elizabeth Miller, MD, PhD, FSAHM ................................................................. 221
Chapter 32. The SSHEADESS Screening: A Strength-Based Psychosocial Assessment  Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM ................................................................. 225
Chapter 33. Strength-Based Interviewing: The Circle of Courage  Barbara L. Frankowski, MD, MPH, FAAP; Larry K. Brendtro, PhD, LP; Steven VanBockern, EdD, MA; and Paula M. Duncan, MD, FAAP ................................................................. 229
Chapter 34. De-escalation and Crisis Management When a Youth Is Acting Out  Cordella Hill, MSW; Hugh Organ, MS; and Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM ................................................................. 231
Chapter 35. Delivering Bad News to Adolescents  Daniel H. Reirden, MD, FAAP, FACP, AHAIVS; Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM; and Jane S. Kennedy, MSW ................................................................. 237

SECTION 6. WORKING WITH ADOLESCENTS WHO HAVE ENDURED TRAUMA AND MARGINALIZATION .............................................................................................. 241
Chapter 36. The Impact of Trauma on Development and Well-being  Sandra L. Bloom, MD ................................................................. 247
Chapter 37. Trauma-Sensitive Practice: Working With Youth Who Have Faced Adverse Childhood (or Adolescent) Experiences  Roy Wade Jr, MD, PhD, MPH, MSHP, and Elizabeth Miller, MD, PhD, FSAHM ................................................................. 255
Chapter 38. Reframing Youth Who Have Endured Trauma and Marginalization  Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM, and Jennifer Rodriguez, JD ................................................................. 263

SECTION 9. MENTAL, EMOTIONAL, AND BEHAVIORAL HEALTH ............................................ 445
Chapter 59. The Role of Lifestyle in Mental Health Promotion Nimi Singh, MD, MPH, MA ........ 447
Chapter 60. Finding Resilience in Sports and Physically Active Recreation Chris Renjilian, MD, MBE, FAAP, CAQSM; Lauren Kobylarz, MBA; and Andrew Kucer, JD ............ 451
Chapter 61. Reaching Treatment: An Overview of Mental Health Treatment Lydia K. Sit, MD .... 453
Chapter 62. Depression Lydia K. Sit, MD ................................................................................. 461
Chapter 63. Anxiety Lydia K. Sit, MD ............................................................................................ 463
Chapter 64. Somatic Symptoms and Related Disorders Lydia K. Sit, MD ............................... 465
Chapter 65. Grief Alison J. Culyba, MD, PhD, MPH, FAAP, Jennifer Rodriguez, JD; and Haydée Cuza, EdD ........................................................................................................ 467
Chapter 66. Attention-Deficit/Hyperactivity Disorder in Adolescents Susan T. Sugerman, MD, MPH, FAAP; Amy H. Scheel-Jones, MS Ed; and Lydia K. Sit, MD .......... 481
Chapter 67. Learning Differences Marina Catallozzi, MD, MSCE; Richard Vito, PhD, MA, MS; Marijo Pearson, PhD; and Susan T. Sugerman, MD, MPH, FAAP .................................................. 483
Chapter 68. Perfectionism Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSASHM; Susan T. Sugerman, MD, MPH, FAAP; and Christine Voice, MAC .................................................................................. 485
Chapter 69. Eating Disorders Rebecka Pooles, MD, and Laura Collins Lyster-Mensh, MS ........ 487
Chapter 70. Adolescents and Substance Use Virginia Hoft, NCAC-II, LCDC, and Jonathan R. Fletcher, MD .................................................................................................................. 489
Chapter 71. Adolescents and Opioid Use Virginia Hoft, NCAC-II, LCDC, and Julie Stevens, MPS, ACPS, ICPS .............................................................................................................. 505
Chapter 72. Teen Pregnancy and Parenting Colleen Crittenden Murray, DrPH, MPH, and Charles G. Zimbrick-Rogers, MD, MS Ed .................................................................................. 507
Chapter 73. Teen Driving Catherine C. McDonald, PhD, RN, FAAN, and Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSASHM .............................................................................................. 515
Chapter 74. Managing Electronic Media Use in the Lives of Adolescents Jill R. Kavanaugh, MLIS, AHIP, Emily Pluhar, PhD; and Michael Rich, MD, MPH, FAAP .................... 517
Chapter 75. Helping Teens Cope With Divorce Jo Ann Sonis, LCSW, DCSW ............................. 519
Chapter 76. Bullying Zachary Brett Ramirez McClain, MD; Amber Hildebrand, MS, CAS; and Colleen Parker, MS, CAS ........................................................................................................ 521
Chapter 77. Unhealthy Relationships Marina Catallozzi, MD, MSCE, and Susan T. Sugerman, MD, MPH, FAAP .............................................................................................................. 529
Chapter 78. Emotional, Physical, and Sexual Abuse Angela Diaz, MD, PhD, MPH, and Mitru Ciavantini, BS ...................................................................................................................... 537
Chapter 79. Youth Violence Alison J. Culyba, MD, PhD, MPH, FAAP; Carla Brown, MSW; James C. Aye; and Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSASHM ..................... 551

SECTION 10. SERVING YOUNG PEOPLE DESERVING OF FOCUSED ATTENTION .......... 559
Chapter 80. Teens With Chronic Illness and Special Health Care Needs: A Person-Centered Approach to Communication Jonathan R. Pletcher, MD; Karyn E. Feit, MSW, LCSW; Lisa K. Tuchman, MD, MPH; and Nadja G. Peter, MD ................................................................. 561
Chapter 81. Transitioning From Youth-Centered to Adult Services Nadja G. Peter, MD; Jennifer Rodriguez, JD; Haydée Cuza, EdD; Karyn E. Feit, MSW, LCSW; and Jonathan R. Pletcher, MD ...................................................................................... 569
Chapter 82. Youth Who Are Lesbian, Gay, Bisexual, or Queer/Questioning Nadia L. Dowshen, MD, MSHP, FAAP, AAHIVS; Linda A. Hawkins, PhD, MS Ed, LPC; Renata Arrington-Sanders, MD, MPH, ScM; Daniel H. Reiden, MD, FAAP, FACP, AAHIVS; and Robert Garofalo, MD, MPH ............................................................. 575
Chapter 83. Serving Youth Who Are Transgender and Gender Diverse Jamie Mehringer, MD; Zachary Brett Ramirez McClain, MD; Linda A. Hawkins, PhD, MS Ed, LPC; and Nadia L. Dowshen, MD, MSPH, FAAP, AAHIVS ................................................. 579
Chapter 84. Reaching Youth Who Are Immigrants Dzung X. Vo, MD, FAAP, FSAHM, and Myra Garcia, LCSW ................................................................. 585
Chapter 85. America’s Children: The Unique Needs and Culture of Youth Affiliated With the Military COL Keith M. Lemmon, MD, FAAP ................................................................. 587
Chapter 86. Supporting Youth in Foster Care to Engage in Services and Supports Jennifer Rodriguez, JD; Haydée Cuza, EdD; and Tonya A. Chaffee, MD, MPH, FAAP ............................................. 589
Chapter 87. Working With Youth Involved With Juvenile Justice Bennie J. Medlin, BA, MA, and Zachary Brett Ramirez McClain, MD ......................................................... 597
Chapter 88. Youth Living With HIV Nadia L. Dowshen, MD, MSPH, FAAP, AAHIVS; Linda A. Hawkins, PhD, MS Ed, LPC; Renata Arrington-Sanders, MD, MPH, ScM; Daniel H. Reirsen, MD, FAAP, FACP, AAHIVS; and Robert Garofalo, MD, MPH ......................................................... 605
Chapter 89. Serving Youth Who Are Experiencing Homelessness or Are Unstably Housed Colette (Coco) Auerswald, MD, MS, FSAHM; Heidi Huppert, BSW; and Josue Lachica, MA ................................................................. 607

SECTION 11. CARING FOR THE CAREGIVERS ................................................................................. 617
Chapter 90. Healer, Heal Thyself: Self-care for the Caregiver Oana Tomescu, MD, PhD; Zachary Brett Ramirez McClain, MD; Zeelyna Wise; and Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM ..................................................................................... 619
Chapter 91. Advancing Adult Compassion Resilience in Youth-Serving Professionals Sue McKenzie Dicks, MA, and Monica Caldwell, MSW, LCSW ................................................................. 627
Chapter 92. Creating Healthy Biocratic Organizations Sandra L. Bloom, MD (Summary written by Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM) ..................................................................................... 637
Chapter 93. Supporting Frontline Staff Who Bear Witness Laura Vega, DSW, LCSW .......................... 639
Chapter 94. Getting Out of the Fast Lane: More “Miles to the Gallon”? Renée R. Jenkins, MD, FAAP ......................................................................................................................... 647
Chapter 95. Have I Really Made a Difference? Trusting That Our Presence Matters Kenneth R. Ginsburg, MD, MS Ed, FAAP, FSAHM ..................................................................................... 651
Index ....................................................................................................................................................... 653
