8 AM - 4:30 PM

LOCATION

2023 Hot Topics in Neonatology Conference
Gaylord National Resort & Convention Center
National Harbor, Maryland, USA
Room: Chesapeake AB

American Academy of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN®

COURSE OVERVIEW

ENC 1 is one of the modules of the new WHO Essential Newborn Care (ENC) Course, created by WHO in collaboration with the American Academy of Pediatrics. ENC 1, an updated version of Helping Babies Breathe (HBB), is an evidence-based, hands-on educational program to teach essential newborn care from birth to 60 minutes after birth, including neonatal resuscitation.

For more information about the ENC course, visit: www.hmbs.org

This one-day course will provide participants with the skills necessary to train others in neonatal resuscitation.

COURSE REGISTRATION

Registration: visit <https://tinyurl.com/2s2dc864> or scan the QR code to register for this course. Hot Topics registration is not required to be able to register for and attend this course.

Registration cost: \$500 (price includes printed learning materials and NeoNatalie kit). Registration is required for all participants. For registration or course questions, please email ENCNow@aap.org.

CANCELLATION: Registration cancellations for this course must be received in writing at registration@aap.org no later than 10 November 2023 to receive a refund. An administrative fee of \$50 will be deducted. The AAP recommends that you do not make travel or hotel reservations that cannot be changed or cancelled without penalty until you receive your registration confirmation. The AAP reserves the right to cancel this activity due to unforeseen circumstances.

***More information on following page**

WHO SHOULD ATTEND?

This course is designed to develop new ENC 1 facilitators who will make a commitment to cascade the training to/with healthcare providers in low-resource settings. This course is suitable for doctors, nurses, midwives, and allied health professionals.

COURSE LEARNING OBJECTIVES

After completion of this course, learners should be able to:

- Identify key messages of ENC 1
- Successfully carry out all of the core ENC 1 skills (preparation for birth, routine care, the Golden Minute, continued ventilation, commit to making a difference)
- Demonstrate mastery of bag and mask ventilation
- Successfully complete the Knowledge Check and Case Scenarios
- Demonstrate presentation of ENC 1 content
- Facilitate small group learning with participants of varying ability levels
- Access online resources to plan and evaluate courses

ACCREDITATION

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

- The AAP designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- This activity is acceptable for a maximum of 7.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.
- PAs may claim a maximum of 7.0 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit*TM from organizations accredited by ACCME or a recognized state medical society.

HOTEL ACCOMODATIONS

The Gaylord National is the official hotel for the 2023 Hot Topics in Neonatology. All course attendees are eligible to book hotel rooms at the discounted Hot Topics room rate of \$259.00.
